

Health, Safety & Emergency Information

Guests

We have identified two groups for whom the shepherd's huts are not suitable for: children and infants, and any adult with mobility problems, unable to cope confidently and safely with steps and/or open treads stairs. The stairs; the stairs could be slippery in rain, so extra care should be taken. Note Guests must take every care to ensure the safety of any visiting child/infant or less mobile adult.

Fire

Please familiarise yourself with the detailed instructions for use of the Fire equipment provided, and fire escape procedures, in the Welcome Pack provided for guest's information. The Fire equipment provided is a fire extinguisher and a fire blanket. We do ask guests to be extremely sensible and aware of the special dangers posed by fire, and the risk to personal injury.

- Never leave cooking on the hob, unattended.
- Never leave an electrical appliance, unattended, such as the toaster (Teulu), hairdryer(Mam).
- Please ensure all electrical appliances & lights are switched off, before going to bed.
- Please note the use "Tea lights" and candles are not allowed.
- Cwtch@Hafod has a No Smoking policy within its property and patio garden.

Carbon monoxide & smoke detectors are fitted in each of the properties. Emergency lighting; A torch is provided.

The Wood-Burner

Detailed instructions for lighting and regulating the wood- burning stove are supplied in the Information and Advice folder for guest's further information.

- Do not leave matches or spare logs on top of the stove.
- The wood-burner is to be used only with the door closed. Please ensure it is firmly closed, and 'dampened down' before going to bed.

Hygiene and Welfare

- No pets are allowed at the property.
- Where possible we use Ecological cleaning materials and re-cycled paper toilet tissue.
- We can arrange for the properties to be cleaned weekly, on either a Monday or Friday, for guests staying a fortnight or longer.
- Mattress protector and pillow protection are fitted. Sheets, duvet covers & pillowcases are cotton.
- A small First Aid kit is provided.

- Note, some lights have energy saving light bulbs.
- During the Summer months there may be some light penetration into the bedroom area, from the windows in the Huts

Water Boiler, etc.

The Shepherds Huts electrics feed into our main house. Each hut has its own water boiler which is run off gas bottles.

Disposal of Waste

Please help us by sorting your refuse into the appropriate bin. Main Bins are stored in the car parking area. A bin is provided in the kitchen, spare liners are provided. The bin categories are: recyclable - glass (bottles/jars), plastic containers (milk cartons only) paper, cardboard, household rubbish - please rinse all cartons/tins and non-recyclable – foil, plastic, etc.

Flooding

Internally, please do not leave any tap running, as there are potential serious consequences. Please do not leave the shower, basin or kitchen sink taps running, unattended.

Bathroom

Please take care when getting in or out of the shower and be aware that a wooden floor can become slippery. Please use the bath mat provided, to prevent slipping.

General

It is of the utmost importance for guests to read the information that we send you in advance of your arrival, (key collection etc), and the Welcome Pack on arrival. Please also ensure that you familiarise yourself with the property you have booked, its surroundings and all safety instructions.

Fire Risk Assessment – June 2020
